Look at the map in the schedule and locate the time point right before your stop. The number of this time point on the map corresponds to the numbered columns in the timetable section of the schedule.

Times listed in the columns give the time when the bus is scheduled to leave that time point. If you are at a stop which is located between time points, the bus will arrive after the time shown for the previous time point, but before the time shown for the next time point. Time points are numbered in the direction the bus runs along the route.

The following example demonstrates how to read the schedules.

Step 1. Locate where you are and where you want to go. Let's assume you are at the Clinton Plaza/Community Center and want to go to Walmart.

Step 2. On the map, locate the timed stop closest to your current location. In this example, it is stop 7.

Step 3. Read down column for stop 7 to find the time closest to the time you would like to depart.

Step 4. To find the arrival time at your destination, read across the timetable row. In this instance, you would arrive to Walmart at 6:10.

EXAMPLE ROUTE:

My Stop - Real Time Information

Get real time bus departures three different ways using My Ride.

Go Online

Visit my.rideRVT.com and click to find your stop, get real time bus departures or plan your trip. The easy to use planner helps you select routes and gives you current bus departure times. On the website you can also sign up for My Ride Alerts to receive real-time emails or texts about bus delays. The alerts are great for the bus rider that uses the bus regularly and wants to stay informed of all bus departure times.

My Stop on your mobile phone

There are two ways to use your smart phone to get bus information.
QR Codes will be posted on every RVT bus stop sign. While waiting for your bus just scan the QR code with your smart phone and get instant bus departure times. Or, download the My Stop application on your smart phone to find your bus, departure times and service alerts. Google Maps transit information can be used to plan your trips, too.

Call Us

Whether you're at home or standing at the bus stop, you will be able to dial a specified telephone number and punch in your bus stop number.
The computer will tell you when the next bus will arrive in real time.
You may also wait to speak to a customer service representative for assistance.

Utilizing Bike Rack

Step 1: Lower Rack
Squeeze center handle and pull rack down.

Step 2: Load Bike
Place bike in one of the two bike spaces.

Step 3: Secure Wheel
Pull the security arm over the bike's wheel to keep bike in place. The only contact is with the wheel of the bike so there is no damage to the bike frame.

Step 4: Inform Driver
Upon departure inform driver that you will be retrieving your bike. Remove bike from rack. Close rack.

Planning Your Trip . . .

Let us plan your trip for you. Call River Valley Transit and tell us where you are, where you want to go, and what time you want to be there. We'll tell you which bus to take, where to board the bus, when the bus departs and arrives, and which bus stop to use.

Questions, Suggestions, Problems . . .

The bus service is for you: the rider. If you have a complaint or criticism, please let us know as soon after the incident as possible. Give us the route, time of day, and as many other details as you can. If we're doing things well, we'd like to know that too! We're interested in your questions and suggestions.

Lost and Found . . .

River Valley Transit maintains a Lost and Found Department. Articles left on a bus are kept for 30 days. If you have lost an article and would like to claim it, please call us.

Rider's Reward
BONUS
BUCKS

All Riders receive bonus bucks by purchasing certain EZ Fares or by paying the cash fare of $2.00. Membership card required and can be obtained in the Trade & Transit Information Office. Some restrictions may apply.

Title VI Compliance

The ADA regulations require public entities operating fixed route transportation service to provide paratransit as a complement to their fixed route service. This paratransit service, intended for people who cannot use accessible fixed route transportation, must be comparable to the fixed route system in forms of coverage and level of service. This service has to be provided during the same days and hours as fixed route service with comparable fares. Service has to be provided to locations within 3/4 of a mile of the River Valley Transit routes.

River Valley Transit Plus, WBT's ADA paratransit service, was initiated in November 1992, making complementary paratransit service available to ADA eligible clients. In November 1996, River Valley Transit Plus obtained full compliance with all six ADA paratransit service requirements. River Valley Transit Plus service is available from 5:30 A.M. to 11:45 P.M., Monday through Saturday.

Responsibility for service delivery has been contracted with STEP, Inc., which operates a larger shared ride paratransit service in the area. WBT certifies clients as eligible for the paratransit service, but STEP is responsible for accepting reservations and providing transportation to meet trip requests. The ADA paratransit service fare, which is currently $4.00, is twice the River Valley Transit base fare.

Community Sponsors

River Valley Transit is supported in part by these communities and organizations:

- Penn DOT
- Clinton County
- City of Lock Haven
- UPMC
- Lock Haven University
- Clinton County Housing Authority

Bus Fare Information

All passengers are required to show their pass or pay a fare. No exceptions.

SENIOR CITIZENS: River Valley Transit participates in the PennDOT Free Transit Program for Senior Citizens. Senior Citizens (age 65 years and older) with the state identification card or Medicare Card can ride any River Valley Transit route free during all normal operating hours.

Apply for your free senior citizen state identification card, stop in at the Trade & Transit Centre Information Office or at the River Valley Transit Administrative Offices.

If you are 60 or older, you can obtain coupons to ride free during all hours. Each trip requires one coupon. Stop in or call the Step Office of Aging at (570) 23-3096.

DISABLED PERSONS: $1.00 cash fares are available for certified disabled persons that present one of the following cards when boarding the bus:

- PA Reduced Transit Fare ID Card*
- RVT Plus ID Card
- Medicare Card

*Applications for this free card are available at the Trade & Transit Centre Information Office, the RVT Administrative Office, or any state-authorized transit agency.

This reduced fare is available all day Saturday and Holidays. A personal care attendant rides free when accompanying a person with a disability.

EZ FARE Pass System

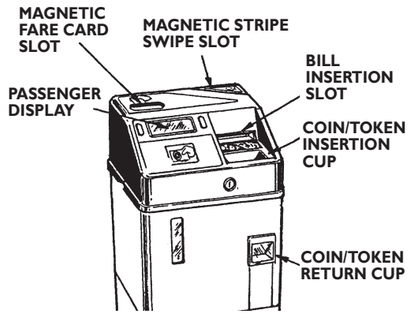
One fare takes you anywhere in the River Valley Transit system with the ***EZ FARE PASS.***

USING YOUR EZ FARE PASSES:

ONE-DAY PASS: To use this pass, swipe the Pass Card through the magnetic card swipe each time you ride the bus.

2-RIDE PASS, 10-RIDE PASS & 20-RIDE PASS: To use these passes, dip the Pass Card into the magnetic fare card slot located on the top of the farebox each time you ride the bus.

7-DAY PASS & 31-DAY PASS: To activate your pass, dip the Pass Card into the magnetic card slot located on the top of the farebox. The current date and expiration date will be printed on the back of the Pass Card. After initial use and activation, simply swipe your Pass Card through the magnetic card swipe each time you ride the bus. A beep will sound letting both you and the driver know that the pass has been accepted. You can use your Pass Card for unlimited rides during the specified period, as indicated on the back of the pass. **Days must be consecutive.**



OTHER EZ FARE PASS OPTIONS:

CHANGE CARD: This card will be provided upon request if you overpay. Change cards can be applied towards your next fare on any farebox equipped RVT vehicle. No refunds.

ELECTRONIC TRANSFERS: This card will be provided free upon request. Transfers are good for one hour to travel in a continuous direction – FROM POINT OF ORGIN TO POINT OF DESTINATION. As you board your connecting bus you must dip or swipe your transfer card through the magnetic swipe.

COIN/TOKEN RETURN CUP: Rejected coins/tokens are returned in this cup in the front of the farebox.

COINS/TOKENS: Insert coins/tokens (no pennies please) one at a time into the Coin/Token Insertion Cup (do not mix coins and tokens).

BILLS: Insert bills (ones, fives, tens and twenties only) into bill insertion slot. Bills must be flat, dry and unfolded.

FOREIGN CURRENCY: Fareboxes do not accept foreign currency.

Paratransit Service

River Valley Transit Paratransit Service is operated by the River Valley Transportation Services in compliance with the Americans with Disabilities Act of 1990 (ADA).

ELIGIBILITY: River Valley Transit Plus provides transportation services for those individuals with disabilities that prevent them from using the fixed route buses. The disability must make it impossible to board buses or to navigate through the bus system because of a physical or cognitive impairment. Additionally, those with a specific disability related condition which interacts with architectural or environmental barriers to prevent travel to and from bus stops may also be eligible.

Individuals must be certified as ADA eligible before they can utilize the River Valley Transit Paratransit Service. Applications are available from River Valley Transit and various agencies. Call River Valley Transit at 570-326-2500 (Voice) or 570-327-7506 (TDD) for more information.

SERVICE AREA, DAYS AND HOURS: The River Valley Transit Paratransit Service area is defined by 3/4 of a mile from any River Valley Transit route and within the municipalities participating in the River Valley Transit fixed route system. A map showing the specific service area is available from River Valley Transit.

River Valley Transit Paratransit Service will be available the same days and hours as the River Valley Transit fixed route system.

FARES: For each trip you make on River Valley Transit Paratransit Service, a fare of $4.00 will be charged. Each stop you make is counted as one trip.

VOTER REGISTRATION: As part of the ADA complimentary service, River Valley Transit is required by federal law to offer voter registration opportunities to all age eligible clients. With your application for River Valley Transit Paratransit Service, River Valley Transit will include a voter registration form or you can register to vote at the River Valley Transit main office at 1500 West Third Street, Williamsport. Assistance in completing the voter registration form will be provided upon request or by calling the Pennsylvania Department of State Bureau of Elections at 1-800-552-VOTE or the Lycoming County Voter Registration Office at 570-327-2267.

RIVER VALLEY TRANSIT ADA/TRANSIT ADVISORY COMMITTEE: If you want to be a part of the River Valley Transit ADA/Transit Advisory Committee, please feel free to call River Valley Transit. This committee meets on a quarterly basis to discuss issues related to the accessible fixed route service, paratransit service, and other related topics.

If you have never ridden the bus or not used one recently, here's a quick and easy lesson. After checking the bus schedule of the route you want to use, go to the closest bus stop. Most River Valley Transit stop locations are marked by a bus stop sign. Remember, buses stop only at designated bus stops.

WHICH ONE'S MY BUS? Look at the headsign on the front of the bus to determine the destination. The destination corresponds to the destination found in this RIDE GUIDE.

- As the bus comes, stand close to the bus stop and signal to the driver.
- Wait until the bus comes to a complete stop and then board at the front door of the bus. Please have your exact change, token or pass ready to show the driver as you enter the bus.
- If you need to transfer to another RIVER VALLEY TRANSIT bus to complete your one-way trip, ask the driver for a transfer when you board.
- Take a seat and enjoy your ride.

ANIMALS ON THE BUS: Small animals are permitted to ride the bus with their owner if the animal is in an approved pet carrier or is muzzled. The only exception to this policy is if the animal is a service animal.

DE-BOARDING:

- Shortly after the bus passes the stop before yours, pull the cord or press the Touch Tape. A "Stop Requested" light and/or a bell at the front of the bus will let the driver know you want to de-board.
- Wait until the bus comes to a complete stop, and then exit from the bus.

FAREBOXES: The fareboxes accept EZ Fare passes, coins (no pennies please), tokens and bills (one, five, ten and twenty dollar bills only). The farebox will "beep" to tell you and the driver that the correct fare has been paid. For complete details see page 7.

ACCESSIBLE SERVICE: River Valley Transit's active fleet is 100% accessible to persons with disabilities. RVT buses with the low floor design provides easy access entry to all passengers by eliminating the steps at the entrance and exit doors.

Information

- Be at bus stops shortly before scheduled time to avoid differences in clocks and watches.
- "Bus Stop" signs are located throughout the area. You can only get on or off at these stops.
- Fold strollers before boarding. Strollers must remain folded and out of the aisle while on the bus.
- Always have exact fare, and always deposit your own fare.
- When the bus is crowded, please move as far to the rear of the bus as possible.
- "Touch Tape" or yellow pull cords, located between the windows, are used to signal a request to stop.

Rider Conduct

RVT has a list of rules to ensure the safety and comfort of all passengers and drivers. Violators may be subject to exclusion from service, fine or arrest. Prohibited conduct includes, but is not limited to, the following:

- Fare evasion
- Eating, drinking, or smoking
- Riding under the influence of alcohol or illegal drugs
- Abusive, violent, threatening, or obscene language or actions, including physical abuse
- Tampering with any equipment
- Solicitation on vehicles or premises
- Unacceptable standards of personal hygiene
- Possessing weapons
- Carrying common hazards such as gasoline cans or automotive batteries
- Standing in front of standee line
- Putting feet on the seats
- Operating any RVT vehicle
- Using any electronic device that can be heard by others
- Sleeping or occupying more than one seat

River Valley Transit realizes its responsibility for the safety of its passengers.
We request that any suspicious activity be reported to the driver immediately.
Video cameras are present on all buses and around the Trade & Transit Centre.
